CARDINAL CALL

Looking back on this past year I find joy and sadness. I found one thing that everybody will eventually find true to himself. You get back from life what you put in it. So, give it all you've got. The potential of the oncoming people of this school is great. I hope that each of you will strive to make your life better and continue to make this school one to be proud of the night of your graduation.

YEARBOOK

A new look for the Cardinal Call in '73—a later deadline allowing more pictures. Also more work. Gail LaRonna and Wilma managed to stay with it somehow.

It was a full year, a good year. We hope our yearbook will make it fun to remember.

POWER LINE TO PROSPERITY

For every one dollar spent on cooperative lines an estimated \$6 is spent to use the electricity. This means the electric cooperatives have created a billion dollar market for local businessmen.

The cooperative is locally owned — business managed — tax paying . . . owned and operated by the people it serves.
